About Women of Grace

Women of Grace® Vision and Mission:

Women of Grace® is an outreach of Living His Life Abundantly® Int., Inc. Its purpose is to encourage and affirm women in their dignity as daughters of God and in their gift of authentic femininity. Through its conferences, programs, and curricula, Women of Grace® seeks to authenticate the genius of women (defined by Pope John Paul II as connoting the essential nature and spirit of woman) so profoundly portrayed in the Blessed Virgin Mary.
